American  
College of  
Civil  
Trial  
Mediators®

The American Journal of Mediation is published by the American College of Civil Trial Mediators. The College is a non-profit association of dispute resolution professionals distinguished by their commitment to mediation. The Journal is a resource and practice tool. The Journal is distributed nationwide and to over 200 law schools serving as a reference material for educators, judiciary, and mediation practitioners.

The Editorial Board is accepting articles for publication from **LAW PROFESSORS and LAW STUDENTS** and others involved in conflict and dispute resolution. Additional information, format requirements, and submission details can be obtained from the Journal website.
