GRANT APPLICATION

In keeping with its mission to foster growth of alternative dispute resolution systems throughout the country, the American College of Civil Trial Mediators has established a Grant program.

Grant recipients may include **non-profit** organizations, academic programs, associations, government agencies, entities, or systems that support education, outreach, or service-delivery projects utilizing mediation and/or alternative dispute resolution within the United States. A grant is normally in the form of financial assistance providing funds to an individual or organization to develop a specific project or program. Please provide the following information for consideration and return to the American College of Civil Trial Mediators.

1. **Title**
2. **Name**
3. **Name of Program / Agency / School / Organization**
4. **Contact Information (Address / E-mail / Web-site / Telephone /Fax)**
5. **Directors/Officers/Board Members**
6. **History/ Background of Program / Agency /School /Organization**
7. **Project Description**
8. **Dates Applicable To Use of Proposed Grant**
9. **Type or Amount of Support Desired**
10. **Primary and/or Prior Sources of Funding Received (if any)**
11. **Project Goals**
12. **Expected Benefits and Results**
13. **Name of Referring College Fellow (if any)**
14. **Please include with this application a written proposal of no more than 2 pages with a description of the mission, philosophy, priorities, fields of interest and geographic focus (if applicable) of the project being submitted for grant consideration. Indicate whether or not there are any limitations, restrictions or matching funds applicable to the project along with relevant financial data or organizational information. Each application should comply with the goals of the College as outlined above.**
