Atlantic Oceanside Dock

One of the prettiest trips of the day on the best sunset cruise from Bar Harbor! We will cruise along the rocky shoreline of Bar Harbor for breathtaking views of this beautiful area. Take in the coastal summer ‘cottages’ on the cliffs, classic Egg Rock Lighthouse and of course navigate around the local, outer islands. Along the way, our fabulous naturalist will point out local wildlife — including seals, eagles, osprey, harbor porpoise and other seabirds and marine life that may be hanging around! Near the end of the trip — watch the sun go down over the distant mountain in a relaxed, comfortable and memorable setting.

Conference Registration Deadline is MAY 01, 2024.
